I'm a graduating senior earning a Civil Engineering Degree with environmental emphasis. I've been a lifelong learner who thrives in a team setting and proved myself to be a key supporter no matter my role. I have a keen eye for detail that doesn't lose track of the big picture while working to solve problems at all angles

EXPERIENCE

JUNE 2022-AUGUST 2022

RESEARCH TEAM MEMBER

Under the Student Success and Transfer Articulation through Research and Support Services program, conducted research regarding drainage renovation for Cal Poly Pomona. Acquired research skills in Zotero and proper formatting while working with a team on site for project demands

AUGUST 2019 TO MARCH 2020

FRONT DESK ATTENDANT, CAL POLY POMONA

Greeted residents and visitors with a cordial attitude while providing information about on Campus activities
