## Experience

**Operations, UFC Gym, Corona, CA. Recovery, Front Desk. Software: ABC Datatrak, Microsoft Office.** I lead patients through the process of using various types of recovery equipment according to safety regulations while maintaining a relaxing and spa like atmosphere. Excels in multitasking with sales, data entry, customer service, and recovery device operation. **January 30, 2023- Current**

**Lead Service Specialist, Fitness 19, Mira Loma, CA. Software: ABC Datatrak, GymSales, Microsoft Office.** I facilitated a positive member experience at the front desk and within the gym. I also assisted with membership enquiries, gym trials, cleaning tasks, and club purchases. Additionally, I promoted the gym by making sales phone calls, giving tours, explaining Inbody scans, signing up new members, and selling personal training packages, **July 17, 2021- February 3, 2023**

**Something Good LA Food Truck, Los Angeles, CA, Cashier,** recorded orders, collected payments, and assisted customers through answering questions. **2018-2019**

**St. Thomas the Apostle Roman Catholic Church Vacation Bible School, Riverside, CA.** Volunteer. Facilitated fun and safety for children at the summer camp and communicated with parents clearly and respectfully. **Summers 2014-18.**

## Scholarships/Fellowships

**Takeo Uesugi Scholars Endowment, College of Environmental Design, Cal Poly**

**Pomona.** I received this award for my academic merit and my aspirations to work towards environmental justice as a landscape architect, **Spring 2021**

**Dangermond Research Fellowship, College of Environmental Design, Cal Poly Pomona.**

I received this award to expand my intellectual horizons through research in the field of Landscape Architecture, **Spring 2022**

## Activities & Projects

**Landscape Architecture Independent Study,** Continuing my research on Laurence Halprin's significance in Portland, Oregon from my Summer Fellowship. I composed a short film to relay my research and findings about the personal experiences associated with the Portland Open Space Sequence. **Fall 2023 Semester**

**Student Chapter American Society of Landscape Architects, CPP Student Chapter, Member,** We are a community of Landscape design Students learning social and technical skills together. **February 2021- Current**

## Summary

*I aspire to learn more communication, software, presentation, research, planning, and technical skills in the field of Landscape Architecture at Caltrans. As a Student Assistant to an experienced Senior Landscape Architect, I hope to get hands on experience in habitat restoration, city planning, social justice, and landscape architecture.*
